CSCI 790 TOPICS ABOUT DISTRIBUTED SYSTEMS

**Basic Information**
Number of credits: 1
Term and year: Spring 2012

Instructor: Juan (Jen) Li
Office location: 258 IACC
Office hours: NA
Email: j.li@ndsu.edu

**Course Description**
This seminar will provide an overview on the state-of-the-art and the open research questions about distributed systems.

**Organization**
The seminar will interleave lectures given by the instructor and talks given by seminar attendees on selected topics. Seminar attendees are assigned an article on a specific topic within the broader context of current Distributed System research and are required to prepare an oral presentation on their topic. Additional complementary readings are provided by the instructor.
