CSCI 790 TOPICS ABOUT SEMANTIC WEB

Basic Information
Number of credits: 1
Term and year: Spring 2012

Instructor: Juan (Jen) Li
Office location: 258 IACC
Office hours: NA
Email: j.li@ndsu.edu

Course Description
This seminar will provide an overview on the state-of-the-art and the open research questions about Semantic Web technologies.

Organization
The seminar will interleave lectures given by the instructor and talks given by seminar attendees on selected topics. Seminar attendees are assigned an article on a specific topic within the broader context of current Semantic Web research and are required to prepare an oral presentation on their topic. Additional complementary readings are provided by the instructor.
